

Being homebound doesn't mean you have to stay at home anymore. Get transported to other worlds through the collection at your local library.

At A Glance:

Join the Library Link program at the Jessamine County Public Library.

We'll match you with one of our wonderful volunteers to deliver library materials to you about once a month.

You'll still be able to enjoy all the collection at your library while you're at home.

A free library delivery service for homebound customers in Jessamine County!

What Is Library Link?

JCPL's Library Link program brings our vast collection of materials to the doorstep of those unable to visit the library. Our carefully chosen volunteers are matched with homebound customers and trained to deliver personally selected library materials on a monthly basis.

Who Can Volunteer for the Program?

Library Link Volunteers are adults who love to read and are physically able to select and deliver library materials. Volunteers must have reliable transportation, a valid Kentucky driver's license, and proof of current auto insurance. Volunteers will attend a brief training session and are asked to make at least a 6 month commitment to the program. A background check is performed on all volunteers.

Who Can Receive Library Link?

This program is available to adult residents of Jessamine County who are unable to visit the library due to a permanent or temporary condition (min. 6 months) and have no other reasonable means of accessing library materials.

How Do I Apply?

To apply send the information request form in this brochure to the Volunteer Coordinator. Once your application is received you will be contacted within 7 business days to finalize the application process.
